Philosophy

“Everyone succeeds in the end. If you don’t succeed, it is not the end.”

Educational Background

University of the East Manila	2020-present
College of Engineering	
Bachelor of Science in Computer Engineering	

University of the East Manila, Basic Education Department	2020-2022
Senior High School	
Science, Technology, Engineering and Mathematics	
With Honors	

Philippine Normal University – Institute of Teaching and Learning	2016-2020
Junior High School	
With Honors	

Research Completed

Students’ Physical Well-Being: Indoor Aeroallergen Pollutants and the Prevalence of Adolescent Asthma Cases During the Pandemic

Seminars and Workshops Attended

Robotics and Automation Training and Workshop by Norde

July 29-30, 2024

The Future of Learning: AI Tools for Students

May 28, 2024

The Art of Coding: Best Practices for Success

May 28, 2024

Networks: Navigating Careers in Networking

May 28, 2024

Robotics: The Power of Fun

April 28, 2024

Blockchain Unchained: Unlocking Success and Opportunities with Blockchain Technology

April 28, 2024

Blockchain Enabled World

April 28, 2024

Cybersentinel: A Cybersecurity Exploration

February 27, 2024

Project Management 4.0: The Agile Advantage

February 27, 2024

Welcome to Flutterverse: A Hands-on Introduction to Cross-platform Mobile App Development

February 26, 2024

Demystifying Artificial Intelligence: An Introduction and Its Practical Use Cases

September 26, 2023

Data Engineering in the Digital Age: Trends, Tools, and Techniques

September 29, 2023

Selenium: The Road to Reliable Software Testing Automation

September 29, 2023

Tinkercad + Arduino for Beginners

March 16, 2023

Ready. GIT. Set. Code: A git Versioning Control System Workshop for Beginners

September 30, 2022

It's Time to Talk About the Talk: A Reproductive Health Webinar

February 11, 2022

UE Music Aficionado Home Recording Workshop

October 22, 2021

UE Jam Sessions Town Hall Music Production 2021

April 17, 2021

UE Music Aficionado Drums Workshop

October 24, 2020

UE Music Aficionado Bass Workshop

October 17, 2020

UE Music Aficionado Guitar Workshop

October 10, 2020

Recognitions Received

Top 10 Most Outstanding Computer Engineering Students

Certificate of recognition for exceptional achievement and outstanding performance in academic endeavors and extra-curricular activities during the academic year 2023-2024

Exemplary Academic Performance

Certificate of recognition for exemplary academic performance for the first Semester and Second Semester of School Year 2022-2023

International Conference on Educational Foundations

Certificate of recognition for presenting a paper entitled Students' Physical Well-Being: Indoor Aeroallergen Pollutants and the Prevalence of Adolescent Asthma Cases During the Pandemic
